Subject: ASB consultation on future of UK GAAP - feedback

As a charity specialist of many years, holding the ICAEW DChA, I would recommend a single 'one-stop shop' standard is developed for the not for profit sector. The existing SORP2005 is by far our main reference for all charity accounting and reporting matters.

We also use the FRSSSE extensively as virtually all our charities are eligible, and it again makes for ease and confidence to be able to use a single publication for reference.

Mary Wallbank

Director of Charities
