

BAS Staff Activity Report as at 3 February 2009

This report covers the activities of the BAS staff for the period from 8 January 2009 to 3 February 2009.

Overview

Since the last report we have continued work on the projects to develop specific TASs on insurance and pensions, and on analysing the responses that we received to our Consultation Paper on a Generic Data TAS. We have also been redrafting the proposed Generic TAS on Reporting Actuarial Information. We published an amended version of TM1, and submitted a response to the CEIOPS issues paper on Implementing Measures on System of Governance.
