

BAS Staff Activity Report as at 3 November 2009

This report covers the activities of the BAS staff for the period from 7 October 2009 to 3 November 2009.

Overview

The consultation paper on actuarial information used for accounts and other financial documents was published on 28 October 2009.

We have continued work on the Data and Modelling standards, analysing responses to the exposure draft consultations and holding meetings with individual stakeholders. We have also continued work on the Business Rearrangements project and on analysing the responses to the Pensions consultation paper.

Liaison with stakeholders

Members of staff held meetings with several stakeholder organisations and individuals, and attended the following meetings and seminars:

- Meeting with the DWP on 13 October
- Liaison meeting with the ABI on 15 October
- Meeting with the DWP on 20 October
- Meeting with the Actuarial Profession on 22 October
- Attendance at the Institute of Actuaries sessional meeting on Reserving and uncertainty on 2 November
- Meeting with the FSA regarding TM1 on 3 November
