

BAS Staff Activity Report as at 6 October 2009

This report covers the activities of the BAS staff for the period from 9 September 2009 to 6 October 2009.

Overview

TAS R and the accompanying feedback and rationale documents were published on 24 September.

We have continued our analysis of the responses to the Data and Modelling exposure drafts. We have also continued work on the Accounting and Business Rearrangements projects.

Liaison with stakeholders

Members of staff held meetings with several stakeholder organisations and individuals, and attended the following meetings and seminars:

- Presentation on TAS P at the ACA sessional meeting on 10 September
- Meeting with members of the Actuarial Profession's Pensions PEC on 15 September
- Meeting with the DWP on 15 September
- Presentation at the Actuarial Profession's Professionalism for Experienced actuaries course on 18 September
- Presentations at the Actuarial Profession's Highlights of the Pensions Convention seminars on 21 and 29 September
- Attendance at the Institute of Actuaries' sessional meeting on "What longevity predictors should be allowed for when valuing pension scheme liabilities?" on 28 September
- Attendance at the International Round Table on Actuarial Standard Setting on 2 October
- Presentation at the Current issues in Life Assurance II on 5 October
- Attendance at GIRO on 5-8 October
