

BAS Staff Activity Report as at 5 October 2010

This report covers the activities of the BAS staff for the period from 8 September 2010 to 5 October 2010.

Overview

We have continued to work on the final versions of both the Pensions and Insurance TASs, and the Analysis of Responses and Significant Considerations documents that will be published alongside them. We held a workshop for a group of respondents to the Insurance exposure draft to obtain additional input.

We have continued work analysing the responses to the consultation on the Transformations exposure draft. We held a workshop for a group of respondents to obtain additional input and feedback.

We have been working on analysis of the responses to the TM1 consultation for publication and have held meetings with the DWP, the FSA and our Working Group.
