

BAS Staff Activity Report as at 8 September 2009

This report covers the activities of the BAS staff for the period from 8 July 2009 to 8 September 2009.

Overview

We have continued our work on the insurance project with the consultation paper being published on 4 September. We have prepared the final version of TAS R for publication, together with documents analysing the responses to the exposure draft and describing the development of the TAS.

We have started work on the Accounts and Business Rearrangements projects and started initial research on the review of TM1.
