

BAS Staff Activity Report as at 2 September 2008

This report covers the activities of the BAS staff for the period from 9 August to 2 September 2008.

Overview

Since the last report our activities have focussed on analysing the responses to our consultations on the structure of our new book of standards and the exposure draft of the reporting standard. Work has continued on the projects to develop generic standards on data and modelling and on reviewing TM1.

Liaison with stakeholders

Members of staff attended the following meetings and seminars:

- We attended the SIAS meeting on climate change on 12 August.
- We attended a meeting of the FSA's Insurance Standing Group on 1 September.
